International Coverage
Social Networking – Old School
Resource Sharing Guidelines

- International Resource Sharing and Document Delivery updated in 2009
- Share your country’s publications as broadly as possible
- Effective resource sharing systems, policies
- Promotes copyright compliance
- Available in English, French, German, Italian, Czech, and Russian
External Communications

• www.ifla.org/en/docdel
• DOCDEL-L listserv
• Blog under consideration
IFLA Congress 2010

• Document Delivery session in Gothenburg
• Copyright and resource sharing
• Current global status of copyright
• Ideal future
Model Copyright Laws

- WIPO studies of copyright limits and exceptions pertaining to 1) libraries and archives, and 2) educational activities
- Efforts to accommodate document delivery: Bahamas, Australia, Germany
- Model laws (Tunis, Wittem)
- Existing codes complex, burdensome for library staff

Dr. Harald Müller
Max Planck Institute for Comparative Public Law and International Law
Commons-Based Copyright

- Private vs. commons-based copyright
- What is strong copyright?
- Wittem Project traditional
- Reconceptualize knowledge as a public good, belonging to all, where:
  - Free access is the default
  - Commercial exploitation requires an exception

Dr. Rainer Kuhlen
U. of Konstanz, Germany
